Dear Consulting Parties,

We have completed maps and tables of cultural resources results from our 2014 surveys. Please let us know if you would like a copy of these results and how you would like to receive them (email or hard copy). We have not included tribally identified resources in this data set.

We have been careful to ensure that the scale of the maps does not disclose the exact location of any sites. However, the maps are sufficiently detailed to show the distribution of resources within the various alternatives.

If you are interested in receiving copies, you can either contact me at nadalsc@stb.dot.gov, or Richard Starzak with ICF International, Inc. regarding your interest. Rick's contact information is as follows:
